Ordinance 11: Public Symbolism and Safety Act

Section 1

For the propagation and glorification of the symbols enumerated later in this act, for the preservation of public harmony in Wimbishville, and for the maintenance of order and the aversion of treason and foreign collusion among the city council, the Wimbishville City Council hereby creates a three-member committee of public symbolism, responsible only to the Mayor. The members of this committee shall be appointed by the mayor, and may be removed only by a ⅔ majority vote of the city council.

Section 2

The Committee of Public Symbolism shall have powers to regulate the presence and misuse of public symbols in the official business of the city.

Section 3

No Symbol herein shall be enforced in any way or used to regulate the behavior of any citizen or Legislator of Wimbishville, nor shall the use of these symbols be used to the exclusion of other symbols in government or private art, architecture, communications, or other sources of expression. However the government will, when possible, and not to the exclusion of others, use these symbols in an official capacity to represent Wimbishville.

Section 4

The official amphibian of the City of Wimbishville shall be the American Toad (Anaxyrus Americanus), specifically the Eastern American Toad (Anaxyrus Americanus Americanus), though the use of the Eastern American Toad shall not be construed to be an exclusion of the Dwarf American Toad, or of the Hudson Bay Toad.

When applicable, the name of the Eastern American Toad representing Wimbishville shall be Doug in the case of a male toad, Francine in the case of a female toad, and Doug-Francine in the case of a nonbinary or otherwise gender non-conforming bat.

Section 5

The official bat of the City of Wimbishville shall be the Big Brown Bat (Eptesicus Fuscus).
